- ▶ **Michael Calimeri, president**
- ▶ **Key executives**
 - Sebastian Calimeri, executive vice president
 - Mark Arnold, member
- ▶ **Product:** Artone LLC is a manufacturer of custom commercial furnishings that include products for the hospitality, health care, retail display and contract casework markets.
- ▶ **Founded:** 1974
- ▶ **Employees, local:** 100
- ▶ **Annual revenue:** \$17 million-\$20 million
- ▶ **Plans for 2016 and beyond:** First, to aggressively market and grow the furniture products and services we provide, focusing more heavily on the hotel and senior-care industries. Second, to have full integration of our operating systems.
- ▶ **Key event in company history:**

In 2014 the company physically made a huge move from a cut-up, 56,000-square-foot manufacturing facility to a 240,000-square-foot facility with an open floor plan. This move has given tremendous opportunity for growth and attracts new customers. 2014 was also the company's 40th year in business.

▶ **interesting fact:** The company was started in the basement of the home

of the Calimeris (president and executive vice president) more than 40 years ago.
